Scholarship Searches

Where can you find scholarship resources?

- High School Guidance Counselor
- The local library
- College Admissions and Financial Aid Offices
- The Internet

Scholarship Searches

Information needed to successfully apply for scholarships:

- Cumulative GPA
- SAT/ACT scores
- Extra curricular activities
- Community service involvement
- Essays

Internet Scholarship Searches

- Some websites have a scholarship search engine that allow you to list specific criteria, some will allow you to drill down by state, and others will simply allow you to browse available resources.
- Some sites will require registration and others are 'free'.
