Access information:

The best way to participate is to view LIVE on channel 2 or channel 5, which are ETV digital satellite channels that all SC public schools may access. If your district now receives ITV/ETV programming via IP delivery, you will access from OnePlaceSC via the TV Guide. Check with the media specialist or DES (Digital Education Services) personnel for assistance.

The program will be repeated as announced above and archived online in *StreamlineSC* (downloadable and password protected – if you do not have an account, see your media specialist or DES personnel or contact Dianne Gregory in ITV at dgregory@scetv.org) and Educator+ (non-password protected, not downloadable). No interaction for repeats or archived.
